CHARACTERISTICS OF EARLY SCHOOL LEAVERS: RESULTS OF THE RESEARCH STRAND OF THE 8- TO 15-YEAR OLD EARLY SCHOOL LEAVERS INITIATIVE
The help and co-operation of all those interviewed, and of school principals and teachers are gratefully acknowledged. Special thanks are due to Mary O'Dwyer, Carol Flannelly, Pat Murphy, Patricia Ward, Deirdre Rafferty, Eoghan Power and Kit Brennan of NTDI for conducting some of the interviews. Thanks are also due to staff at the Post-Primary Database Section of the Department of Education and Science.

Many of the staff at the Educational Research Centre were involved in various aspects of the report. Thanks are due to Mary Rohan, John Coyle and Hilary Walshe. Finally, many thanks are due to Thomas Kellaghan for his help and guidance throughout the compilation of the report.
